Canova

Composizione 14
cm 120

Il fascino del colore incontra l'eleganza di molteplici materiali. La palette cromatica e la varietà delle finiture definiscono l'identità della collezione Canova. Le numerose superfici in gres, lucido o opaco, con effetti che vanno dal cemento al marmorizzato, insieme all'infinita gamma di laccati, rendono questa serie ideale per arredare bagni di lusso con stile e personalità.

The charm of color meets the elegance of multiple materials. The chromatic palette and variety of finishes define the unique identity of the Canova collection. Its wide range of glossy and matte stoneware surfaces—featuring effects from concrete to marble—and the extensive selection of lacquered options make this series perfect for furnishing luxury bathrooms with style and personality.

Industrial

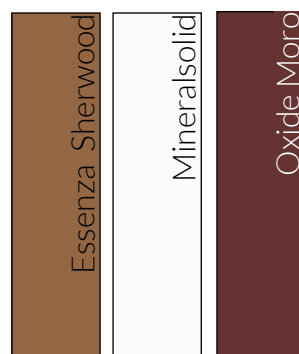

Composizione 3
cm 121

Industrial nasce dall'arredamento industriale degli anni '50 a New York, quando vecchi depositi e magazzini venivano trasformati in spazi abitativi.

I frontali del mobile Industrial sono realizzati in Laminam da 3 mm con un affascinante effetto ossidato. Il metallo domina la scena, armonizzato con legno e laccato tono su tono, per un bagno dal carattere industriale contemporaneo.

Industrial draws inspiration from the industrial design of 1950s New York, when old warehouses and depots were converted into living spaces. Today, this trend is reinterpreted through our over half a century of experience in bathroom design.

Metal takes center stage, balanced by wood and tone-on-tone lacquer, creating a contemporary industrial bathroom aesthetic.

Parigi

Composizione
cm 105

Parigi è una delle collezioni 5 stelle di Euro Bagno, apprezzata per la purezza dello stile e la grande versatilità. La sottile cornice bianco opaco, ottenuta tramite un'accurata fresatura, incornicia elegantemente il mobile. Lo stesso bianco opaco, ripreso dal lavabo in resina matt, crea un raffinato contrasto con le calde finiture effetto legno dei frontali.

La vasta scelta di essenze insieme al laccato opaco e alle molteplici dimensioni disponibili — da 70 a 120 cm — rende Parigi ideale per ogni stile di bagno.

Paris is one of Euro Bagno's 5-star collections, celebrated for its pure style and outstanding versatility. The thin matte-white frame, crafted through precise milling, elegantly outlines the cabinet. The same matte white, echoed in the resin basin, creates a refined contrast with the warm wood-effect finishes of the drawer fronts. along with the matte lacquer option and sizes from 70 to 120 cm, makes Paris suitable for any bathroom style

Perseo

Composizione 1
cm 100

Perseo nasce dal rovere rustico spazzolato tinta miele, dove le venature e i nodi creano un'“armoniosa danza” che solo chi ama il legno può apprezzare. Il cassetto bianco opaco richiama il lavabo in solid matt dal tocco vellutato, per un bagno elegante e raffinato.

Perseo is crafted from brushed rustic honey-toned oak, where the grain and knots form a harmonious “dance” appreciated by true wood lovers. The matte white drawer complements the solid matt basin with a velvety touch, creating an elegant and refined bathroom.

Sissi

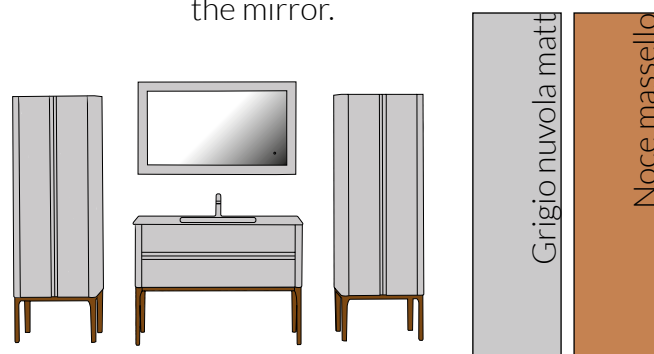

Composizione 4T
cm 120

Il Neoclassicismo si distingue per il recupero delle forme classiche, guidato da un ideale di perfezione, logica, simmetria e chiarezza. La collezione di mobili Sissi ne rappresenta l'espressione più autentica. Le delicate tonalità laccate si sposano con il calore del frassino, che lascia intravedere la sua naturale venatura, creando un elegante equilibrio cromatico.

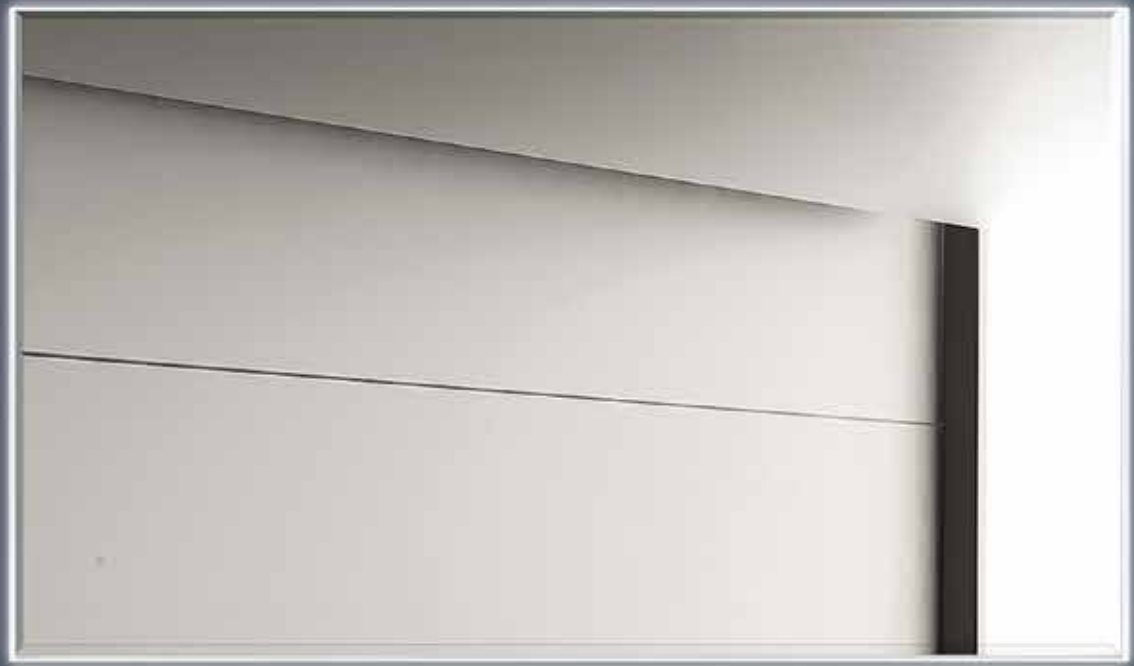

La rotondità delle forme è l'elemento centrale della collezione Sissi e si ritrova nei fianchi del mobile, nel top, nei piedi e nello specchio.

Neoclassicism is defined by its revival of classical forms, guided by an ideal of perfection, logic, symmetry, and clarity. The Sissi furniture collection is a natural expression of this aesthetic. Soft lacquered tones blend with the warm hues of ash wood, whose natural grain gently emerges, creating a refined chromatic harmony.

The roundness of forms is the central feature of the Sissi collection, echoed in the cabinet sides, the countertop, the legs, and the mirror.
